

NUTANIX **X**PAND: YOUR DEMAND LAUNCHPAD

The XPAND partner demand center is a launch pad to drive your Nutanix digital marketing strategy, augment your brand and increase sales pipeline.

XPAND empowers you to:

Create steady pipeline for your sales team with automated nurture streams and always-on content.

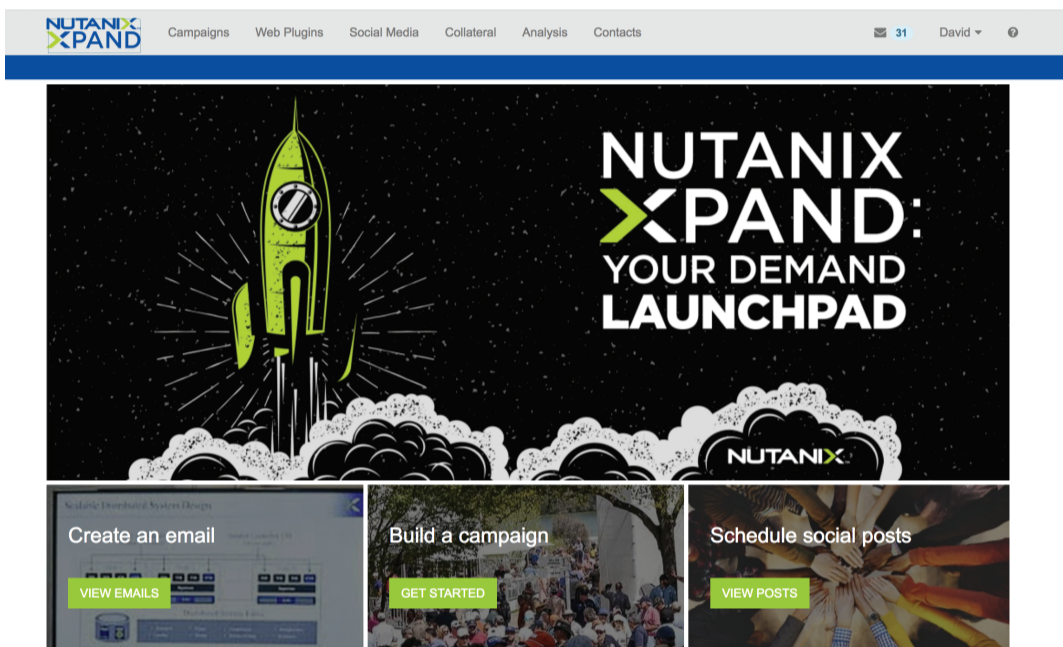

Build custom marketing campaigns around Nutanix solutions and drive customer demand.

Scale marketing operations with a variety of plug + play marketing assets.

Target and engage customers at different stages of the buying cycle while lowering lead acquisition costs.

Overview of XPAND's functionality:

Campaigns:

Customize marketing campaigns and download collateral programs.

Web Plugins:

Install inbound assets like microsites and banners to showcase the newest Nutanix content on your website.

Social Media:

Connect your company social media accounts and automatically syndicate Nutanix content to Facebook, Twitter, LinkedIn and WeChat.

Collateral:

Download and customize Nutanix infographics, white papers, briefs and other marketing materials.

Analysis:

Review your customer engagements and the success of your marketing activity.

Contacts:

Upload, segment and monitor lead activity including lead scoring.
